We have visited Sensei Avi many times at his Dojo in Los Angeles. We have even had the great opportunity to train at Sensei Nishiyama's dojo along side Sensei Avi. Each time my Brothers and I get to train with Sensei Avi our Karate improves dramatically. We leave feeling connected, refreshed and enlightened. Sensei Avi's focus on proper breathing and efficient movement ensures that you are using your body to the utmost of its capabilities. We are very grateful to have Sensei Avi visit us in St. Louis and are happy to invite our friends in Karate to train with us under this fantastic instructor.
Sincerely,
